UnitedHealthcare Global Expatriate Insurance provides:

Comprehensive Benefit Plan Options

Flexible and integrated medical, pharmacy, dental and vision coverage for U.S. outbound and inbound expatriates with trailing dependent coverage.

Highly Integrated Member Services

Operating from dedicated international customer service centers, offering immediate, personalized assistance 24/7 through one dedicated, toll-free, multilingual help line and a single sign-on website that accommodates both international and domestic needs.

Sophisticated Global Claim Administration

A single, global platform for any claim regardless of country, coding, currency or language, including direct-pay settlements with providers globally. State-of-the-art advanced technology platform captures diagnosis and procedure codes enabling more effective clinical care, condition management, and wellness programs.

Assistance Services

An expanded array of assistance services including online tools, global intelligence and monitoring, security operations and training, traveler tracking, and at-cost medical evacuations. In remote, underserved locations, we can provide on-site clinics, bringing care to some of the most challenging locations around the world for clients in segments such as mining, oil, and gas.

Compliance

Programs and services that are fully tested and compliant with applicable laws and regulations.

Enhanced Expatriate Experience

Consistent, responsive assistance, comprehensive 24/7 customer service and local expertise that help members orient themselves in a new country, from guidance on housing and education options to finding a family physician.

Extensive International Network

Global access to many of the world's leading service providers including a proprietary list of pre-screened hospitals, polyclinics, physicians and other healthcare professionals.

Advanced Care Management

Our comprehensive care management programs and evidence-based medicine enhance wellness and monitor care before admission through discharge and beyond, ensuring that members receive the right care at the right time and in the right setting. Our programs and services use health and wellness coaching to help members maintain a healthy life balance.

Cost-Competitive Pricing

Leveraging our network discounts globally and our leading clinical programs to provide members with best-in-class healthcare coverage, with access to quality physicians and hospitals, resulting in a healthy and successful assignment.

The result? Better information. Better decisions. Better health.
