

SHORT TERM BUSINESS TRAVEL INSURANCE

KEEP SAFE. KEEP HEALTHY. KEEP TRAVELING.

UnitedHealthcare provides global Business Travel Insurance for your covered employees with access to a comprehensive array of integrated travel-related insurance coverage and services underwritten by UnitedHealthcare Insurance Company.

Access around the clock, around the world

Covered members and their dependents traveling on business or outside of their home country or country of permanent assignment can obtain medical, travel, and personal security assistance, 24 hours a day, around the world when they need it. Coverage includes access to the Emergency Response Center (ERC), which is staffed by highly skilled team members who can provide assistance in a variety of situations. Covered members also have access to the online Member Center, with robust tools such as Security & Intelligence Report – a security and travel intelligence database searchable by country and city and Medical Intelligence Report – a medical database of common diseases, medical challenges, and precautions such as recommended immunizations for the destination.

Coverages and services available

The range of coverage and services provided through the UnitedHealthcare Global Business Travel Insurance program is among the most comprehensive available in the industry. The program services are highly integrated, enabling rapid assistance during any emergency or challenging situation. The business travel insurance program also operates seamlessly with our expatriate benefits program to provide the flexibility to design a benefits solution that meets the needs of clients and their employees.
